- „Mobile Application Development – Joint Master Studies in English” **MAD-MSE**
- The aim: establishing joint MSc studies
- Partners:
 - Lublin University of Technology (contractor)
 - National University of Uzbekistan (partner)
- Period: 2019-10-01 → 2021-03-31
- Budget: 692 573,30 PLN (~160 000 EUR)

KATAMARAN project:
„Mobile Application Development
– Joint Master Studies in English”

7

Project MAD-MSE. Studies idea

	1	2	3	4
NUU				
LUT				

4 semesters M.Sc studies in UZ

3 semesters M.Sc studies in PL

Master thesis
joint
commission

KATAMARAN project:
„Mobile Application Development
– Joint Master Studies in English”

8

Project MAD-MSE

Deliverables (1)

1. Educational program with the necessary documentation including:
 - description of learning outcomes
 - study plan
 - syllabuses
 - documentation in UZ and PL languages
 - language proofreading
 - program approval

KATAMARAN project:
„Mobile Application Development
– Joint Master Studies in English”

9

Project MAD-MSE

Deliverables (2)

2. Developing a quality assurance system and improving the study program
3. Didactic materials for student education:
 - Lecture materials (slides) - 15
 - Materials for laboratories -15
 - E-learning materials - 2
 - language proofreading

KATAMARAN project:
„Mobile Application Development
– Joint Master Studies in English”

10

Project MAD-MSE

Deliverables (3)

4. Study visits in LUT (with e-learning training) and NUU
5. Marketing materials (leaflets and posters)
6. Project website

KATAMARAN project:
„Mobile Application Development
– Joint Master Studies in English”

11

Project MAD-MSE

Timing

Work packages	IV/19	I/20	II/20	III/20	IV/20	I/21
1. Project kick-off meeting combined with a study visit in PL						
2. Working meeting at NUU						
3. Program development						
4. Developing QA and a system to improve the study program						
5. Developing teaching materials				NUU	LUT	LUT
6. Study visit in NUU						
7. Study visit in LUT (training)						
8. Dissemination of information about the program – recruitment preparation						

KATAMARAN project:
„Mobile Application Development
– Joint Master Studies in English”

12

Project MAD-MSE

Organisation (1)

- Contractor and responsible for budget expenses (LUT)
- Partner (NUU)
- Local coordinators/PM:
 - Dr. Marek Milosz (LUT)
 - Prof. Dilbar Mukhamedova

KATAMARAN project:
„Mobile Application Development
– Joint Master Studies in English”

13

Project MAD-MSE

Organisation (2)

- LUT project team:
 - Dr. Marek Miłosz
 - Dr. Mariusz Dzieńkowski
 - Dr. Edyta Łukasik
 - Dr. Elżbieta Miłosz
 - Monika Kaczorowska
- Stearing committee
- Substantive commission

KATAMARAN project:
„Mobile Application Development
– Joint Master Studies in English”

14

Project MAD-MSE

Organisation (2)

- NUU project team (*??? proposal*):
 - Prof. Mukhamedova Dilbar
 - Doc. Madrakhimov Shavkat
 - Dr. Saidov Doniyor
 - Dr. Makharov Kodirbek

KATAMARAN project:
„Mobile Application Development
– Joint Master Studies in English”

15

Project MAD-MSE

Cooperation

- Constant project teams composition
- Communication:
 - on-line
 - read and confirm emails
- Prepare documents on time
- Keep project deadlines

KATAMARAN project:
„Mobile Application Development
– Joint Master Studies in English”

16

Kick-off meeting

Expected results

- General frame of organizing double education at Master's level
- Detailed study plan (curriculum)
- Templates of common documents:
 - Study plan, Syllabus
 - ????
- Agreed Annex to the general agreement between NUU and LUT

KATAMARAN project:
„Mobile Application Development
– Joint Master Studies in English”

17

THANK YOU
