ERASMUS+

KEY ACTION 1 – MOBILITY OF INDIVIDUALS

This Key Action supports:

Mobility of learners and staff: Opportunities for students, trainees, young people and volunteers, as well as for professors, teachers, trainers, youth workers, staff of education institutions and civil society organisations to undertake a learning and/or professional experience in another country;

Joint Master Degrees: High-level integrated international study programmes delivered by consortia of higher education institutions that award full degree scholarships to the best master students worldwide;

Master Student Loan Guarantee: Higher education students can get a loan backed up by the Programme to go abroad for a full Master Degree. Students should address themselves to national banks or student loan agencies.

ERASMUS+

KEY ACTION 2 – COOPERATION FOR INNOVATION AND THE EXCHANGE OF GOOD PRACTICES

This Key Action supports:

Transnational Strategic Partnerships aimed to develop initiatives addressing one or more fields of education training and youth and promote innovation, exchange of experience and know-how between different types of organisations involved in education, training and youth or in other relevant fields. Certain mobility activities are supported in so far as they contribute to the objectives of the project;

Knowledge Alliances between higher education institutions and enterprises which aim to foster innovation, entrepreneurship, creativity, employability, knowledge exchange and/or multidisciplinary teaching and learning;

Sector Skills Alliances supporting the design and delivery of joint vocational training curricula, programmes and teaching and training methodologies, drawing on evidence of trends in a specific economic sector and skills needed in order to perform in one or more professional fields;

Capacity Building projects supporting cooperation with Partner Countries in the fields of higher education and youth. Capacity Building projects aim to support organisations/institutions and systems in their modernisation and internationalisation process. Certain mobility activities are supported in so far as they contribute to the objectives of the project;

IT support platforms, such as eTwinning, the European Platform for Adult Learning (EPALE) and the European Youth Portal, offering virtual collaboration spaces, databases of opportunities, communities of practices and other online services for teachers, trainers and practitioners in the field of school and adult education as well as for young people, volunteers and youth workers across Europe and beyond.

ERASMUS+

KEY ACTION 3 – SUPPORT FOR POLICY REFORMS

This Key Action supports:

Knowledge in the fields of education, training and youth for evidence-based policy making and monitoring in the framework of Europe 2020, in particular:

- Country-specific and thematic analysis, including through cooperation with academic networks;
- Peer learning and peer reviews through the Open Methods of Coordination in education, training and youth;

Prospective initiatives to stimulate innovative policy development among stakeholders and to enable public authorities to test the effectiveness of innovative policies through field trials based on sound evaluation methodologies;

Support to European policy tools to facilitate transparency and recognition of skills and qualifications, as well as the transfer of credits, to foster quality assurance, support validation of non-formal and informal learning, skills management and guidance. This Action also includes the support to networks that facilitate cross-European exchanges, the learning and working mobility of citizens as well as the development of flexible learning pathways between different fields of education, training and youth;

Cooperation with international organisations with highly recognised expertise and analytical capacity (such as the OECD and the Council of Europe), to strengthen the impact and added value of policies in the fields of education, training and youth;

Stakeholder dialogue, policy and Programme promotion with public authorities, providers and stakeholders in the fields of education, training and youth are necessary for raising awareness about Europe 2020, Education and Training 2020, the European Youth Strategy and other European sector-specific policy agendas, as well as the external dimension of EU education, training and youth policies. They are also essential to stimulate the effective exploitation of the Programme results and generate tangible impact.

STUDENT MOBILITIES ICM

CHALLENGES

- Recognition of educational effects
- Visas
- Application procedures/deadlines
- Language of instruction
- Communication with students / HEIs
- Student involvement
- Quality of mobilities

Good practices:

University regulations, project calendar, internal project monitoring, cooperation with embassies and state institutions, precise information about the offer, monitoring visits in IEOs, participation in trainings by FRSE, suport activities, ESN, faculty coordinators & deans, promotion
