# About CITS'2026

The 2026 International Conference on Computational Intelligence, Information Technology and Systems Research will be held at the Faculty of Electrical Engineering and Computer Science, Lublin University of Technology, Poland, June 22-24, 2026.

There is no doubt that computational intelligence, decision support systems, data mining, granular computing and knowledge discovery have experienced rapid growth and attracted significant interest. These areas naturally exhibit many synergistic linkages, leading to interesting conceptual and application-oriented developments. The key objective of this event is to provide a vibrant forum for communicating and exchanging ideas within this rapidly growing research environment.

## Highlights

- artificial intelligence,
- computational intelligence,
- data mining and knowledge discovery,
- medical imaging,
- computer vision,
- image processing,
- computer engineering,
- computational methods in applied physics,
- modeling and identification,
- decision support systems,
- statistics and quality control,
- computers and education and related topics.

## Organizer

- Lublin University of Technology, Faculty of Electrical Engineering and Computer Science, Department of Computer Science, Poland

## Co-organizers

- Systems Research Institute, Polish Academy of Sciences, Poland
- Polish Information Processing Society, Poland

# Program Committee

Janusz Kacprzyk (Systems Research Institute PAS, Warsaw, Poland) – Chair

Witold Pedrycz (University of Alberta, Canada; Systems Research Institute PAS, Warsaw, Poland) – Chair

Olgierd Hryniewicz (Systems Research Institute PAS, Warsaw, Poland)

Zbigniew Nahorski (Systems Research Institute PAS, Warsaw, Poland)

Jan W. Owsiański (Systems Research Institute PAS, Warsaw, Poland)

Sławomir Zadrozny (Systems Research Institute PAS, Warsaw, Poland)

Piotr Kulczycki (Systems Research Institute PAS, Warsaw, Poland; AGH University of Krakow, Cracow, Poland)

Piotr Kowalski (AGH University of Krakow, Cracow, Poland; Systems Research Institute PAS, Warsaw, Poland)

Szymon Łukasik (AGH University of Krakow, Cracow, Poland; Systems Research Institute PAS, Warsaw, Poland)

Tomasz Rybotycki (Systems Research Institute PAS, Warsaw, Poland)

Edyta Łukasik (Lublin University of Technology, Poland)

Tomasz Zientarski (Lublin University of Technology, Poland)

Małgorzata Charytanowicz (Lublin University of Technology, Poland; Systems Research Institute PAS, Warsaw, Poland)

Grzegorz Kozieł (Lublin University of Technology, Poland)

Marek Miłosz (Lublin University of Technology, Poland)

Jerzy Montusiewicz (Lublin University of Technology, Poland)

Maria Skublewska-Paszkowska (Lublin University of Technology, Poland)

Małgorzata Plechawska-Wójcik (Lublin University of Technology, Poland)

# Organizing Committee

Małgorzata Charytanowicz (Lublin University of Technology, Poland;  
Systems Research Institute PAS, Poland)

Marcin Badurowicz (Lublin University of Technology, Poland)

Katarzyna Baran (Lublin University of Technology, Poland)

Marta Dziuba-Kozieł (Lublin University of Technology, Poland)

Łukasz Gałka (Lublin University of Technology, Poland)

Sylwester Korga (Lublin University of Technology, Poland)

Joanna Kozar (Lublin University of Technology, Poland)

Magdalena Latkowska (Lublin University of Technology, Poland)

Kacper Liżewski (Lublin University of Technology, Poland)

Marcin Matczuk (Lublin University of Technology, Poland)

Piotr Muryjas (Systems Research Institute PAS, Warsaw, Poland)

Tomasz Nowicki (Lublin University of Technology, Poland)

Bogusław Oleksiejuk (Lublin University of Technology, Poland)

Sławomir Przyłucki (Lublin University of Technology, Poland)

Stanisław Skulimowski (Lublin University of Technology, Poland)

Jakub Smółka (Lublin University of Technology, Poland)

Dominika Sulowska (Lublin University of Technology, Poland)

Magdalena Surmacz (Lublin University of Technology, Poland)

Bartosz Sterniczuk (Lublin University of Technology, Poland)

Tomasz Szymczyk (Lublin University of Technology, Poland)

Piotr Wójcicki (Lublin University of Technology, Poland)

Magdalena Zoła (Lublin University of Technology, Poland)
